STUDIES
IRELAND

INTERNATIONAL OUTDOOR EDUCATION PROGRAMME

www.fieldstudies.ie | bookings@fieldstudies.ie

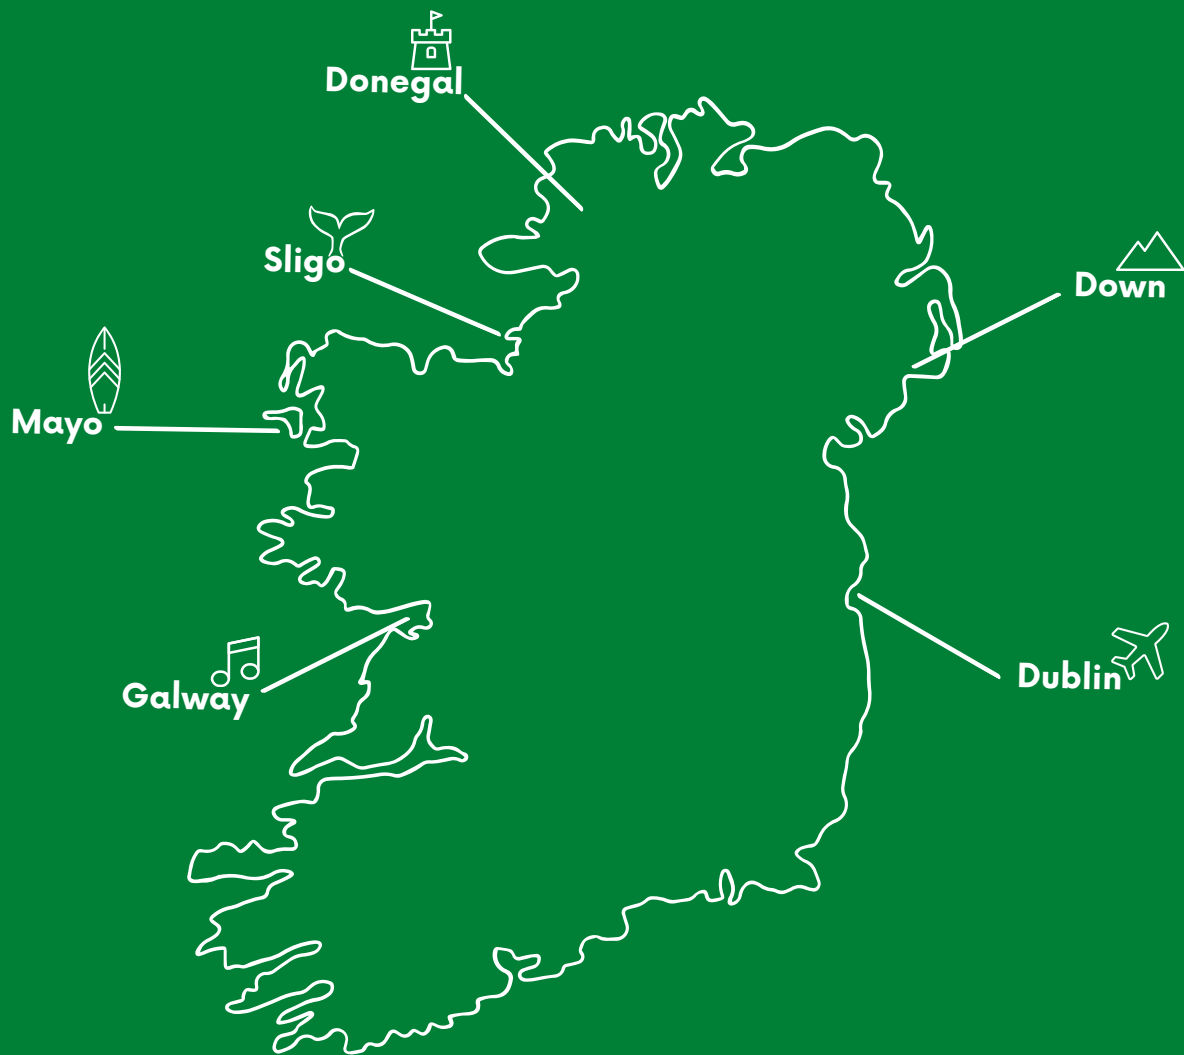

We are on a mission to empower access to
Outdoor Education across the island of
Ireland.

We provide bespoke education abroad
programmes that connect learners with the
culture, heritage and landscapes of Ireland.

We exist as a not-for-profit, Social Enterprise
to support you!

An Immersive Journey Across This Beautiful Island.

Explore the culture, heritage and landscapes of Ireland through adventure and experiential learning, fully guided by expert outdoor educators.

From mountains to beaches and cities to islands, this outdoor education journey will empower learners to truly connect with our Emerald Isle.

DAY 1 - 6

COUNTY DOWN

Your educational journey begins in the lowlands of the Mourne Mountains, where you will experience adventures that will enhance your local knowledge through nature connection, local journeys, and backwoods expeditions.

Example activities: *hiking, ecology, camping, brewery tour, rock climbing, campfire cooking.*

DAY 7-11

DONEGAL & SLIGO

Explore the beauty of the west coast wildlife and landscapes, as you experience the country's culture and heritage through student-led investigations, farm visits, boat trips, seaside saunas and more.

Example activities: *wildlife boat trip, heritage walk, organic farming, sauna, BBQ, biodiversity study.*

DAY 12-14

MAYO & GALWAY

Heading South to explore Ireland's largest Island, Achill, famous for its beaches and mountains, before reaching the final destination of Galway, a wonderfully vibrant city full of culture, food, and music!

Example activities: *kayaking, hiking, music, seafood, culture.*

EDUCATION OUTCOMES

Learn through Outdoor and Experiential Education.

Field Studies Ireland provides learning experiences that connect people with places, in line with students broader learning ambitions, with topics like sustainability, adventure, leadership, ecology, wellbeing, history, culture and personal development.

We create bespoke programmes to meet your learning objectives, and all our programmes are certified.

ACCOMADATION

Despite the adventurous theme of our programmes, we have superb accommodation partners that provide comfortable and spacious properties to support a range of catered and self-catering options.

Each programme usually entails 3-4 different accommodations along the journey, with all following similar themes.

There are places for study and relaxation during out-of-programme hours, as well as classroom facilities. Bedrooms sleep approx. 2-4 people, with private rooms available for staff.

“Field Studies Ireland excels at creating an outdoor experience around curiosity, exploration, and discovery that focuses on the learner and my intended objectives. Our activities with Mark and his team are student favourites and truly the highlight of our education abroad experience”
